Fall Festival

*"RHC has helped strengthen my relationship with God and provided me with a welcoming community ever since I arrived in the US for my graduate studies."
-RHC member*

*"Through RHC God takes individuals and launches them into the fully devoted life that God has for them. Through the surrendering of their time, talents, treasures, and testimony God does supernatural work in and through them to help them know His love for them on an individual level and He also supernaturally uses them to light up dark places with the Kingdom of light!"
-RHC member*

*"RHC has helped me to continue to develop next steps in my walk with Jesus! I'm continually challenged by my fellow Christians within the church to serve in a greater capacity and really focus on the work God wants to do in my life!"
-RHC member*
